

GUALALA DOWNTOWN STREETScape PROJECT

Join us for a Virtual Public Meeting!

Caltrans and MCOG invite you to attend a virtual public meeting for the Gualala Downtown Streetscape project on **January 14, 2021 from 5 to 7 p.m.**

The project team has taken previous project comments and is working on a new alternative for community consideration. A public online survey to gather input and comments about the new project alternative will be available.

A preview of the meeting presentation will be available in mid-December on Caltrans District 1's YouTube channel along with early access to the project's online survey.

For those without Internet access, please call the project telephone number, 707-441-5930, for more information.
