ADDENDUM NO. 1

The following changes will be made on the Contract as Addendum No. 1.

BOOK 2 OF 2:

Replace the 3rd paragraph on Page 1 that reads:

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes will be the total of all items.

With the following:

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes will be the total of all items in any specific bid schedule. Since bid additive and/or deductive items or schedule(s) are included in addition to the "Base Bid Schedule," the Base Bid Plus Additive Bid will determine the low bid pursuant to Public Contract Code § 20103.8(b).
