MCOG Seeks Community Input on Laytonville Shared Mobility Grant Project

The Mendocino Council of Governments (MCOG) is seeking community input from Laytonville area residents on the development of a grant application to investigate the feasibility of establishing a clean energy shared mobility (i.e. electric vehicle car share) transportation program in the Laytonville community.

MCOG representatives will participate in the remote July 22 meeting of the Laytonville Area Municipal Advisory Council (LAMAC) to discuss the potential feasibility study, and to solicit community ideas and vision for transportation services in the community. Community members may join the LAMAC meeting by computer or telephone as follows:
