

Mendocino Council of Governments

ADDENDUM No. 1

Request for Proposals (RFP)

Feasibility Study Mobility Solutions for Rural Communities of Inland Mendocino County for Mendocino Council of Governments

Pursuant to the RFP issued by the Mendocino Council of Governments (MCOG) on February 23, 2022, the deadline to submit written questions was March 14, 2022. This Addendum addresses all questions received through that date.

Question 1:

1. Given the financial expense and environmental impact associated with RFP responses that are printed and shipped to MCOG, is there any flexibility to submit a final and formal application electronically?

Response:

Upon further consideration, it has been decided that MCOG will accept electronic proposals, without requiring print copies until later in the procurement process. The successful consultant or firm will be required to submit two (2) print copies of the proposal prior to contract award. The electronic copy (or link to the electronic proposal) may be emailed to lellard@dbcteam.net, and must be received no later than 5:00 p.m. on April 6, 2022.
