# The Mendocino Council of Governments (MCOG) meets as the Board of Directors of:

Mendocino Regional Transportation Planning Agency (RTPA) and Mendocino County Service Authority for Freeway Emergencies (SAFE)

NOTICE: As of March 2023, the Mendocino Council of Governments returns to in-person meetings, in a new format. Staff and a potential quorum will meet in the Board of Supervisors chambers in Ukiah. Also, board members will join remotely by teleconference (audio and video) from City Hall locations in Fort Bragg and Point Arena. Policy Advisory Committee member(s) will join from Caltrans District 1 office in Eureka. The general public may join from any of these posted locations or by calling in to the teleconference.

Several ways to make public comments to MCOG's Board of Directors are available:

- In advance of the meeting: comments may be sent by email to <u>info@mendocinocog.org</u> or by using the form at <a href="https://www.mendocinocog.org/contact-us">https://www.mendocinocog.org/contact-us</a>, to be read aloud into the public record. Please submit by 10:00 a.m. on the meeting date to ensure comments are received timely, and include the agenda item number(s) addressed.
- During the meeting: make oral comments in person, or on the conference call by phone or video, when public comment is invited by the Chair.

Thanks to all for your interest and cooperation.

# NOTE: All items are considered for action unless otherwise noted.

- 1. Call to Order and Roll Call
- 2. Assembly Bill 2449 Notifications and Considerations to receive and address requests from Board members to participate in the meeting from a non-posted location, subject to conditions set forth in AB 2449
- 3. Convene as RTPA
- 4. Recess as RTPA Reconvene as Policy Advisory Committee

## **CONSENT CALENDAR**

The following items are considered for approval in accordance with Administrative Staff, Committee, and/or Directors' recommendations and will be enacted by a single motion. Items may be removed from the Consent Calendar for separate consideration, upon request by a Director or citizen.

5. Approval of November 6, 2023 Minutes

# PUBLIC EXPRESSION – Please refer to notice at top of this Agenda.

6. Participation is welcome in Council meetings. Comments will be limited to three minutes per person and not more than ten minutes per subject, so that everyone can be heard. "Public Expression" time is limited to matters under the Council's jurisdiction that may not have been considered by the Council previously and are not on the agenda. No action will be taken. Members of the public may comment also during specific agenda items when recognized by the Chair.

## **REGULAR CALENDAR**

- 7. **Public Hearing at 1:30 p.m. or as soon thereafter as possible:** Technical Advisory Committee (TAC) Recommendation of November 15, 2023 Approval of Resolution M2023-\_\_\_\* Adopting the 2024 Regional Transportation Improvement Program (RTIP)
- 8. Approval of Resolution M2023-\_\_\_\* Adopting the SB 125 Formula-Based Transit & Intercity Rail Capital Program (TIRCP) and Zero Emission Transit Capital Program (ZETCP) Allocation Plan for Fiscal Year 2023/24
- 9. Discussion/Direction and Possible Adoption of 2024 MCOG Board Calendar

#### **RATIFY ACTION**

10. Recess as Policy Advisory Committee – Reconvene as RTPA – Ratify Action of Policy Advisory Committee

#### **REPORTS**

- 11. Reports Information *No Action* 
  - a. Caltrans District 1 Projects Update and Information
  - b. Mendocino Transit Authority
  - c. Great Redwood Trail Agency
  - d. MCOG Staff Summary of Meetings
  - e. MCOG Administration Staff
    - Social Services Transportation Advisory Council's Unmet Transit Needs Workshop of November 29, 2023 – Findings to MCOG Public Hearing on February 5, 2024
    - ii. Miscellaneous
    - iii. Next Meeting Date Monday, February 5, 2024
  - f. MCOG Planning Staff
    - i. Feasibility Study Mendocino Transit Authority's Ukiah Transit Center verbal report

# MCOG Board of Directors Agenda December 4, 2023, 3 of 3

- ii. Miscellaneous
- g. MCOG Directors
- h. California Association of Councils of Governments (CALCOG) Delegates

# **ADJOURNMENT**

12. Adjourn

# AMERICANS WITH DISABILITIES ACT (ADA) and TRANSLATION REQUESTS

Persons who require special accommodations, accessible seating, or documentation in alternative formats under the Americans with Disabilities Act, or persons who require interpretation services (free of charge) are advised to contact the MCOG office at (707) 463-1859, **at least five days** before the meeting.

Las personas que requieren alojamiento especial, asientos accesibles, o documentación en formatos alternativos de acuerdo con la Ley de Estadounidenses con Discapacidades, o personas que requieren servicios de interpretación (sin cargo) deben comunicarse con MCOG (707) 463-1859, por lo menos cinco días antes de la reunión.

#### ADDITIONS TO AGENDA

The Brown Act, Section 54954.2, states that the Board may take action on off-agenda items when:

- a) a majority vote determines that an "emergency situation" exists as defined in Section 54956.5, or
- b) a two-thirds vote of the body, or a unanimous vote of those present, determines that there is a need to take immediate action <u>and</u> the need for action arose after the agenda was legally posted, **or**
- c) the item was continued from a prior, legally posted meeting not more than five calendar days before this meeting.

#### **CLOSED SESSION**

If agendized, MCOG may adjourn to a closed session to consider litigation or personnel matters (i.e. contractor agreements). Discussion of litigation or pending litigation may be held in closed session by authority of Govt. Code Section 54956.9; discussion of personnel matters by authority of Govt. Code Section 54957.

POSTED 11/28/2023

# The Mendocino Council of Governments (MCOG) meets as the Board of Directors of:

Mendocino Regional Transportation Planning Agency (RTPA) and Mendocino County Service Authority for Freeway Emergencies (SAFE)

1. Call to Order and Roll Call. The meeting was called to order at 1:32 p.m. with Directors present: John Haschak, Mike Carter, Greta Kanne and Dan Gjerde in Ukiah; Bernie Norvell in Fort Bragg; Jeff Hansen in Point Arena; and Tatiana Ahlstrand (Caltrans/PAC) in Eureka. Josephina Duenas was absent. Chair Gjerde presiding.

<u>Staff present in Ukiah</u>: Nephele Barrett, Executive Director; Janet Orth, Deputy Director & CFO; Loretta Ellard, Deputy Planner; and James Sookne, Program Manager. Ms. Orth announced that MCOG's clerk, Jody Lowblad, was away at a training conference for Board Clerks and Secretaries.

<u>Staff present by Zoom</u>: Lisa Davey-Bates, Transportation Planner; Alexis Pedrotti, Program Manager; and Michael Villa, Project Coordinator.

- **2. Assembly Bill 2449 Notifications and Considerations.** This item is to receive and address requests from Board members to participate in the meeting from a non-posted location, subject to conditions set forth in AB 2449. There were no such requests.
- 3. Convene as Convene as RTPA
- 4. Recess as RTPA Reconvene as Policy Advisory Committee
- **5 8. Consent Calendar.** Upon motion by Carter, second by Haschak, and carried unanimously on roll call vote (6 Ayes Haschak, Carter, Kanne, Norvell, Ahlstrand/PAC and Gjerde; 0 Noes; 0 Abstaining; 1 Absent Duenas): IT IS ORDERED that consent items are approved. [Clerk's note: Director Hansen was unable to vote due to technical difficulties, resolved later in the meeting.]
- 5. Approval of October 2, 2023 Minutes as written
- 6. Third Amendment to Fiscal Year 2023/24 RTPA Budget: Adoption of Resolution Revising Allocation of 2023/24 LTF, STA, and FY 2022/23 Carryover Capital Reserve Funds to Mendocino Transit Authority to reduce Local Transportation Funds allocation to funds available

#### Resolution No. M2023-11

Revising Allocation of 2023/24 LTF, STA, and FY 2022/23 Carryover Capital Reserve Funds to Mendocino Transit Authority, Superseding Resolutions #M2023-04 and #M2023-07 (Reso. #M2023-11 is incorporated herein by reference)

- 7. Technical Advisory Committee Recommendation of October 25, 2023: Approval of Third Amendment to Fiscal Year 2023/24 Transportation Planning Overall Work Program (OWP) To add a Caltrans Rural Planning Assistance (RPA) Discretionary Grant award of \$100,000 for Work Element 10, to Update/Expand Local Road Safety/Action Plans within Mendocino County. Total OWP funding increased from \$1,277,012 to \$1,377,012, an increase of \$100,000. The Executive Director is authorized to sign certifications and a revised OWP Agreement as needed and forward to Caltrans as required.
- 8. Authorization of Executive Director to Complete the Redwood Region RISE (Resilient Inclusive Sustainable Economy) High Road Transition Collaborative Collective Partnership Agreement Letter and to Participate in the HRTC Voting Member Block
- **9. Public Expression.** Mr. Dave Shpak of Gualala expressed appreciation for the opportunity to participate in MCOG's Technical Advisory Committee meetings. The TAC members have made him feel welcome, and he has learned a lot from them.
- **10.** Review/Discussion/Direction: Draft 2024 Regional Transportation Improvement Program (RTIP). Program Manager Sookne summarized his written staff report and draft RTIP provided in the agenda packet for discussion. The State's 2024 Fund Estimate identified a target of \$11,731,000 available to the region and a maximum of \$36,177,000. MCOG's Technical Advisory Committee (TAC) had scored and ranked proposals received. Total requests came to \$27,950,875 for seven projects. He explained an issue with certain quantitative scores, where staff recalculated results, moving the County's Ackerman Creek Bridge replacement project from third to first place and the others remaining in order. In addition to the TAC's recommendation, staff presented two alternative options; these would fund either three or four projects. The Council could choose a different selection. Direction was requested to further develop the draft document. Board discussion included:
  - Amounts above the target would borrow from future funding shares. All three options exceed the target. Pros and cons, prudent levels reviewed. (Haschak, Kanne, Gjerde, staff)
  - Could project funding be reduced? If the North State Street/US-101 intersection roundabout (the most costly project) were not fully funded, it could not be programmed unless the County commits or secures the balance of funds, or MCOG reserves shares from the next STIP cycle. (Gjerde, staff)
  - Review of other sources and how applied to projects, such as Highway Infrastructure Program (HIP), Caltrans contributions, and County's road fund contribution. (Sookne)
  - Could the target amount change? Unlikely, as adopted by the California Transportation Commission (CTC). If revenues do not materialize, target would be reduced in the 2026 Fund Estimate. (Gjerde, staff)
  - Alicia Winokur, Deputy Director Engineering, Mendocino County Department of Transportation (MCDOT) was invited to discuss the North State Street projects in Ukiah and potential funding sources in addition to MCOG's regional funds. County is working on CEQA and NEPA documents. This would be a good project to program with "borrowed" funds and has regional importance. She will look into further funding options with MCDOT Director.
  - Question of whether developer fees could be raised based on future development. (Gjerde)

• Importance of and options for road rehabilitation projects proposed by MCDOT, which could be completed by end of next summer if funded, or rising costs if delayed. (Winokur)

Director Hansen's audio issue was resolved at approximately 2:00 p.m.

- Funding road rehabilitation now will go farther than later on. (Norvell)
- Support for Mountain View Road rehabilitation project as valuable to coastal residents. (Hansen)
- Discussion of Ackerman Creek Bridge project on North State Street in Ukiah, including regional, environmental and safety benefits, and support of Pinoleville Tribe. The funding request is a small portion of cost and leverages other identified funds for a larger project. MCDOT plans to advertise for construction next summer. (Barrett, Winokur)
- Question/discussion of Fund Estimate levels over past cycles, varying widely, now more stable.
   Revenue factors include decreasing fuel taxes as vehicle efficiency improves, while excise taxes are adjusted to reflect sales tax equivalency. Previous STIP targets have been fairly accurate in recent years. (Kanne, Barrett)
- Review of projects in light of five-year STIP span and likelihood of funding in excess of target. Advantages/disadvantages of advancing future funds to save on costs. (Barrett, Kanne, Haschak)
- Support for limiting to the two top-ranked projects. (Kanne)
- Discussion of the Gualala Downtown Streetscape project.
  - The Chair invited public comment.

Mr. Dave Shpak: While a tough decision, this system is designed to accommodate some future spending; the ability to allocate earlier is a big advantage--deal with backlog today. The Gualala project is of great importance to the South Coast, having invested much time and effort to date. Funds were reserved in last STIP cycle; encourages MCOG to keep its commitment and complete the project now.

Ms. Katie Everett, Gualala project manager, Caltrans: Spoke in favor of the project and cited its many benefits, noting support of the local community.

Discussion concluded with final remarks:

- The Gualala project is nearing end of the Plans, Specifications & Engineering (PS&E) phase. Caltrans will be coming to the Council to present its final concept, possibly at the next regular board meeting. (Barrett)
- Any interest charges for advancing future shares? No. (Gjerde, Barrett)
- This differs from budget issues; favors getting more money now. (Haschak)

**Upon motion** by Haschak, second by Carter, and carried on roll call vote (6 Ayes – Haschak, Carter, Hansen, Norvell, Ahlstrand/PAC and Gjerde; 1 No – Kanne; 0 Abstaining; 1 Absent – Duenas): IT IS ORDERED that staff's Alternative #2 is approved for further preparation of the 2024 Regional Transportation Improvement Program.

# **Alternative 2**

		1		
Project	Rank	Requested Funding	Recommended Funding	Cumulative Total Recommended
County – Ackerman Creek Bridge	1	\$ 602,300	\$ 602,300	\$ 602,300
County - N. State Intersection	2	13,900,000	13,900,000	14,502,300
Gualala Downtown Streetscape	3	1,200,000	1,200,000	15,702,300

County – Comptche Ukiah Rd.	6	2,000,000	0	17,702,300
County – N. State Road Repairs	7	1,533,000	0	17,702,300

11. Review/Discussion/Direction: SB 125 - Transit & Intercity Rail Capital Program (TIRCP) and Zero Emission Transit Capital Program (ZETCP) Draft Allocation Plan. Executive

Director Barrett summarized her written report and staff's working draft allocation package, as presented in the agenda materials, prepared in consultation with Mendocino Transit Authority representatives. Of the total regional formula allocation to MCOG of \$11,063,615, she identified \$5.3 million available in the first year. To receive funds in FY 2023/24, the allocation plan needs to be adopted and submitted to California State Transportation Agency (CalSTA) by December 31, 2023. Staff requested direction to prepare a full draft plan for approval at the December meeting. Responsibilities for MCOG will include maintenance of data, reporting and other requirements.

She described required components including a regional strategy. MTA has proposed three project elements: 1) Ukiah Transit Center development, to be primarily funded with a traditional competitive TIRCP grant application, so this would be an initial \$2 million for property acquisition. 2) Laytonville & Covelo service pilot project, resulting from MCOG's recent Mobility Solutions study, to connect with existing transit services. Battery-electric vehicle technology is a limiting factor for this demonstration. MCOG staff has concerns that MTA's initial service design would not be used by riders as much as the design proposed in the study. Staff will be meeting with CalSTA concerning project eligibility. Amendments to the allocation plan are allowed, so modifications could be made to the project. 3) ZEV fleet transition to continue capital investments to meet MTA and State goals.

Board discussion included:

- Alternative approaches to the pilot service operational and capital components, subject to eligibility and/or amendment. (Gjerde, Barrett)
- MTA General Manager Jacob King agreed with a flexible approach.
- MTA plans to station the vehicle in Willits. Described trip proposal with transfers to fixed route service. (Barrett)
- A Mobility Solutions meeting indicated concerns about non-emergency medical transportation, shopping, and access to various necessities of life. Several transfers on the transit system could be a deterrent--look at other options. (Haschak)
- MTA currently logs about 2,800 miles per day countywide. The proposal is similar to daily service now. MTA has experience with this, has not heard negatives from ridership. (King)
- Question of EV range for round trip Ukiah-Laytonville with elevation changes, charging. (Carter)
- Efficiencies of stationing the vehicle in Willits with local supervisor and charging infrastructure. Driver pool post-pandemic is coming from Willits and Ukiah areas. (King)
- All three projects elements are reasonable, trusts MTA to resolve logistics. (Kanne)

The Chair invited public comment; no one came forward. Ms. Barrett noted Board members' concerns for the proposed operational element and will explore other feasible options with MTA, for some flexibility in the final draft plan.

**Upon motion** by Haschak, second by Carter, and carried unanimously on roll call vote (7 Ayes – Haschak, Carter, Kanne, Hansen, Norvell, Ahlstrand/PAC and Gjerde; 0 Noes; 0 Abstaining; 1 Absent – Duenas): IT IS ORDERED that the major program elements proposed by staff and Mendocino Transit Authority, with flexibility in design of operational services, are approved for further development of the TIRCP and ZETCP Allocation Plan.

Project	TIRCP	ZETCP
Administration – MCOG	\$ 110,636	
Ukiah Transit Center Development	2,000,000	
Zero Emission Vehicles	2,237,593	\$ 505,296
Laytonville & Covelo Service	500,000	
Total Year 1 – FY 2023/24	\$ 4,848,229	\$ 505,296
\$ 5,353,525		

12. Technical Advisory Committee (TAC) Recommendation of October 25, 2023: Approval of Carbon Reduction Program (CRP) Policy and Call for Projects – Federal funding for infrastructure projects. Program Manager Sookne reviewed his written report and documents recommended by staff and the TAC for approval as presented in the agenda packet. He described this new funding source through Federal Highways Administration (FHWA) and how he arrived at the proposed policy and project selection strategy as required, noting some details. The TAC's review resulted in a minor modification to evaluation criteria in the Call for Projects template. There will be five funding cycles.

Board questions and discussion:

- Obligation deadlines noted, any due dates for local proposals? Not yet, though anticipate opening to applications in January. (Gjerde, staff)
- Funding levels are set? Yes, these are formula shares to MCOG; subsequent years are assumed at similar levels to the first two. This is a relatively small funding source. (Gjerde, staff)
- Discussion of eligibility of various project types. These are expected to be more easily implemented, though with more administration, reporting, and environmental review due to federal source. For example, projects that do not involve right of way or CEQA/NEPA exclusion, or with fewer project development needs. Addition to an existing federalized project would be a good candidate. (Group, staff)

The Chair invited public comment, hearing none. **Upon motion** by Kanne, second by Haschak, and carried on unanimously on roll call vote (7 Ayes – Haschak, Carter, Kanne, Hansen, Norvell, Ahlstrand/PAC and Gjerde; 0 Noes; 0 Abstaining; 1 Absent – Duenas): IT IS ORDERED that staff's recommended Carbon Reduction Program Policy and Call for Projects are approved. [Excerpt below:]

Federal Fiscal Year	2022	2023	2024-2026	
Regional Allocation	\$ 161,211	\$ 164,435	TBD	
Obligation (E76) Deadline*	09/30/2025	9/30/2026	TBD	
Expenditure Deadline*	9/30/2030	9/30/2031	TBD	
*https://dot.ca.gov/programs/local-assistance/fed-and-state-programs/carbon-reduction-program				

Director Hansen was excused from the meeting at approximately 2:55 p.m.

**13.** Recess as Policy Advisory Committee – Reconvene as RTPA – Ratify Action of Policy Advisory Committee. Upon motion by Carter, second by Haschak, and carried unanimously on roll call vote (5 Ayes – Haschak, Carter, Kanne, Norvell and Gjerde; 0 Noes; 0 Abstaining; 2 Absent – Duenas and Hansen): IT IS ORDERED that the actions taken by the Policy Advisory Committee are ratified by the MCOG Board of Directors.

# **14. Reports - Information**

a. Caltrans District 1 – Projects Update and Information. Director Ahlstrand introduced Julia Peterson, Clean California Coordinator and Project Manager, who reported on the three recently awarded Local Agency Clean California grants in Mendocino County under Cycle 2 at \$7.75 million to Anderson Valley Unified School District, City of Fort Bragg, and City of Willits. All work must be completed by June 2026. The communities are very enthusiastic. Related events include the Dump Days vouchers given out to date and coming up next on December 15 at Harwood Hall in Laytonville and December 16 at Caspar's transfer station; these are available to anyone, though primarily meant for underserved residents.

The Covelo downtown project was paused while waiting for certain parts and supplies, expected to resume shortly. The protective barrier during construction is temporary, to be exchanged for speed humps covering a larger area. Director Haschak noted results in Covelo have already slowed traffic speeds as desired. Appreciation and positive comments were given by Council members. Ms. Peterson invited contact anytime to discuss Clean California. Ms. Barrett noted Caltrans' project Milestones report included in the agenda packet.

- b. <u>Mendocino Transit Authority</u>. MTA is working with MCOG staff on a five-year update of their Short Range Transportation Development Plan; the consultant will produce draft recommendations for changes to MTA's services.
- c. <u>Great Redwood Trail Agency</u>. Director Haschak reported that GRTA hired a General Manager, Elaine Hogan from Blue Lakes in Humboldt County, noting her expertise in trail construction and administration practices.
- d. MCOG Staff Summary of Meetings. Ms. Barrett referred to the written report.

# e. MCOG Administration Staff

- i. Covelo SR 162 Corridor Multi-Purpose Trail Project. Ms. Barrett reported the contractor crew is getting ready to wrap up for the season after finishing a segment of paving work, weather permitting, that was delayed until conclusion of a process for recent archeological finds. With exception of the bridge over Mill Creek, the entire trail will be walkable this year and fully completed next year. Along with Clean California improvements, the area has been much refreshed. Some photos have been posted to MCOG's website.
- ii. California Transportation Commission (CTC) Town Hall Meeting Hosted by MCOG in Fort Bragg, April 17-18, 2024. Ms. Barrett reported CTC staff's request for a community meeting. Additional to CTC's regular business meetings, the town halls are periodically held in smaller, more remote communities. It is an opportunity to highlight presentations, projects and needs from all over the region. MCOG will host the two half-days to include a tour, a meeting open to the public, and a reception for Commissioners. Staff is involved in planning meetings with CTC staff. Director Gjerde had suggested some venues to consider.
- iii. Miscellaneous. None.
- iv. Next Meeting Date. Monday, December 4, 2023.

# f. MCOG Planning Staff

- i. Feasibility Study Mendocino Transit Authority's Ukiah Transit Center. Deputy Planner Ellard reported an update of status. MTA's board had selected the preferred site north of the Kohl's store on Orchard Avenue. The consultant team presented some architectural renderings of the site at MTA's October 25 meeting and will present the draft study at MTA's December 6 meeting. The final study will be completed in January.
- ii. *Grant Award Announcements and Reports*. Ms. Ellard reported recent awards and updates: 1) \$100,000 of Rural Planning Assistance grant funds to update and expand the existing Local Road Safety Plans to qualify for federal project funds; staff will hire a consultant for this short-term scope of work due by next May or June. 2) \$215,000 previously reported for the Noyo Harbor Multimodal Circulation Plan, currently awaiting notice to proceed from Caltrans. 3) Family Resource Center of Potter Valley, working closely with MCOG staff, was invited by California Air Resources Board to apply for a Sustainable Transportation Equity Project (STEP) grant to implement a shared-mobility microtransit service to-from Ukiah and locally as recommended in MCOG's Rural Mobility Solutions study; if awarded MCOG would be a sub-applicant to assist with outreach and other tasks.

iii. Miscellaneous. None.

- g. MCOG Directors. Director Gjerde reported the County of Mendocino and City of Fort Bragg were co-sponsoring a ribbon cutting November 16 for the Pudding Creek Bridge rehabilitation project on SR-1. It will be invitational only due to space limitations onsite, but a video recording will be made available. Executive Director Barrett planned to attend.
- h. <u>California Association of Councils of Governments (CALCOG) Delegates</u>. Director Haschak reported a board retreat would be held in Riverside, which he would not be attending, though he plans to attend the annual forum in February.

**15. Adjournment.** The meeting was adjourned at 3:17 p.m.

Submitted: NEPHELE BARRETT, EXECUTIVE DIRECTOR

By Janet Orth, Deputy Director & CFO

**DATE PREPARED:** 11/27/23

# MENDOCINO COUNCIL OF GOVERNMENTS

# STAFF REPORT

**TITLE:** Public Hearing & Adoption of the 2024

Regional Transportation Improvement Program

SUBMITTED BY: James Sookne, Program Manager MEETING DATE: 12/4/23

**BACKGROUND:** 

Each odd-numbered year we consider the programming of projects that are to be included in the State Transportation Improvement Program (STIP) that goes into effect July 1 of the following year. We do this by developing our Regional Transportation Improvement Program (RTIP) which programs our Regional Improvement Program (RIP) shares of funding as identified by the California Transportation Commission (CTC) in the Fund Estimate (FE). The 2024 FE identified a target of \$11,731,000 available to the region in RIP funding, which includes our target for Planning, Programming, & Monitoring (PPM) programming. After deducting the \$407,000 identified for PPM, \$11,324,000 is available for programming on new or existing projects. The FE also identified a maximum that may be proposed by MCOG of \$36,177,000. The maximum includes funding that extends beyond the current five-year STIP period, through FY 30/31, the end of the next County Share Period. Any programming that exceeds our target is essentially an advance of funds that would be available in the 2026 STIP.

Applications for funding were due to MCOG by September 29. The RIP funds will be primarily available for programming in the last two years of the STIP cycle, FY 27/28 and 28/29. Below is a summary of applications received.

Agency	Project Title	Description	RIP Funding Request
Ukiah	Downtown Streetscape Improvement Project – Phase 3	Road diet with enhanced ADA/Pedestrian/Bicycle access and utility improvement on North State Street between Norton Street and Low Gap Road	\$6,718,575.56
County	North State Street Intersection and Interchange Improvements Phase I	Installation of a roundabout at the North State Street/Kuki Lane intersection and a roundabout at the North State Street/southbound 101 interchange, including the realignment of Lover's Lane	\$13,900,000
County	2026 Road Rehabilitation on Comptche Ukiah Road	Asphalt overlays on roadway segments with sharp turns and steep grades, supplementing the 2026 Corrective/Preventative Maintenance on Comptche Ukiah Road	\$2,000,000
County	2024 Road Rehabilitation on Mountain View Road	Asphalt overlays on roadway segments with sharp turns and steep grades, supplementing the 2024 Corrective/Preventative Maintenance on Mountain View Road	\$2,000,000
County	North State Street Road Repairs	Repair of failing asphalt surfacing on North State Street. The previous asphalt overlay has failed, creating a very poor driving experience. Temporary measures have been taken to smooth the road, but they are not expected to last long. This project will pulverize 0.60 miles of existing road and road bed to a depth of 4 inches and lay down 4 inches of new asphalt.	\$1,533,000
County	North State Street	Replacement of the existing bridge with a new, wider	\$602,300

	Bridge Replacement	bridge and construction of new, wider roadway	
	over Ackerman	approaches.	
	Creek		
Caltran	Gualala Downtown	Construct 0.4 miles of non-motorized improvements	
Califall	Streetscape	along State Route 1 between Center Street and Ocean	\$1,200,000
8	Enhancement Project	Drive in the town of Gualala	
		Total Requests	\$27,950,875.56

The Technical Advisory Committee (TAC) reviewed and ranked project applications at their meeting on October 25 and made a funding recommendation to the MCOG Board. Following the TAC meeting, staff reviewed the agencies' scoring sheets and noticed some discrepancies in the two quantitative scoring criteria, leverage of funds and traffic volume/usage, and subsequently recalculated the project scores and rankings. Based on the revised rankings, staff presented two alternative funding scenarios, in addition to the TAC recommendation, for the Board to consider at their November meeting.

After some discussion, the Board gave direction to develop the draft RTIP with project funding as described in Alternative 2, below.

Project	Rank	Requested Funding	Recommended Funding	Cumulative Total Recommended
County – Ackerman Creek Bridge	1	\$602,300	\$602,300	\$602,000
County - N. State Intersection	2	\$13,900,000	\$13,900,000	\$14,502,000
Gualala Downtown Streetscape	3	\$1,200,000	\$1,200,000	\$15,702,000
Ukiah – Downtown Streetscape Ph 3	4	\$6,718,575.56	\$0	\$15,702,000
County – Mountain View Rd.	5	\$2,000,000	\$2,000,000	\$17,702,000
County – Comptche Ukiah Rd.	6	\$2,000,000	\$0	\$17,702,000
County – N. State Rd. Repairs	7	\$1,533,000	\$0	\$17,702,000

The draft RTIP was updated to include the project funding described above. The \$602,000 requested for the County's Ackerman Creek Bridge project will remain unprogrammed but will be available when the County is ready to allocate their CON funds. The County already has CON funds programmed for that project in FY 23/24 and STIP guidelines do not allow for programming in the current fiscal year. The remaining project funding will be programmed in future years. At their November meeting, the TAC reviewed the draft RTIP and recommended that the MCOG Board approve the RTIP as presented.

At this time, we ask that the Board consider the RTIP for adoption. A resolution has been prepared which reflects the TAC recommendation for approval. Following adoption, the RTIP will be forwarded to Caltrans and the California Transportation Commission prior to the December 15, 2023 due date along with any additional project documentation.

#### **ACTION REQUIRED:**

1. Make a finding that proper notice of the meeting has been provided. Notice was published in the Ukiah Daily Journal on 11/22/23.

- 2. Receive staff report.
- 3. Open public hearing.
- 4. Receive public comments.
- 5. Close public hearing.
- 6. Action by resolution on the 2024 Regional Transportation Improvement Program.

AT TERM ATINES. Do not adopt the DTID on adopt the DTID with modifications

**RECOMMENDATION:** By resolution, adopt the 2024 Regional Transportation Improvement Program which programs \$17,507,000 for transportation projects in the Mendocino County region over the next five years. Authorize staff to submit the adopted RTIP to Caltrans and the California Transportation Commission.

**MEETING NOTICE** 

NOTICE IS HEREBY GIVEN that the Mendocino Council of Governments (MCOG) will meet on Monday, December 4, 2023, at 1:30 p.m. or as soon thereafter as possible, to consider the following item:

Public Hearing - Adoption of 2024 Regional Transportation Improvement Program

MCOG will hold a public hearing to consider adoption of a Regional Transportation Improvement Program (RTIP) which proposes to program \$18,109,000 for transportation projects throughout the region over the next five years.

The purpose of this public hearing is to receive public testimony prior to formal adoption of the 2024 RTIP.

For further information, please contact the MCOG office at 707-463-1859 or visit www.mendocin ocog.org.

# MENDOCINO COUNCIL OF GOVERNMENTS

# **BOARD of DIRECTORS**

RESOLUTION No. M2023-

# ADOPTING THE 2024 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM

# WHEREAS,

- The Mendocino Council of Governments (MCOG) is the designated Regional Transportation Planning Agency (RTPA) for Mendocino County;
- In August of 2023, the California Transportation Commission (CTC) adopted a 2024 State Transportation Improvement Program (STIP) Fund Estimate which provides Regional Improvement Program (RIP) funds to regional transportation planning agencies;
- MCOG, as the RTPA, is required by State law to prepare, adopt, and submit to Caltrans and the California Transportation Commission by December 15, 2023, a Regional Transportation Improvement Program (RTIP) which programs these funds;
- The 2024 STIP Fund Estimate identified a new programming target for the Mendocino County region of \$11,731,000 which includes \$407,000 in Planning, Programming, & Monitoring (PPM) funding, with a maximum programming limit of \$36,177,000;
- The 2022 RTIP identified a future funding commitment of \$3,050,000 for the Gualala Downtown Streetscape Project;
- MCOG accepted applications for projects to utilize the RIP funding which were reviewed by the Technical Advisory Committee (TAC) at their meeting on October 25;
- The TAC made recommendations for projects to be included in the 2024 Regional Transportation Improvement Program at their meeting on October 25, 2021;
- MCOG staff developed two alternative funding scenarios for the Board to consider at their November 6, 2023 meeting;
- The 2024 Regional Transportation Improvement Program has been prepared with the following new programming:

Project Name and Location	Amount
North State Street Intersection and Interchange Improvement Phase I	\$13,900,000 CON
	Total \$13,900,000
Gualala Downtown Enhancement Streetscape Project	\$1,200,000 CON
	Total \$1,200,000
2024 Road Rehabilitation on Mountain View Road	\$2,000,000 CON
	Total \$2,000,000
Planning, Programming and Monitoring	\$407,000
Total Programming	\$17,507,000

Resolution No. M2023-\_\_\_ Page 2 of 2

- The \$2,000,000 for the Caltrans' Gualala Downtown Enhancement Streetscape Project is coming out of the previous funding commitment of \$3.050 million identified in the 2022 RTIP and the remaining \$1,050,000 will be released;
- The 2024 RTIP identifies a funding commitment of \$602,000 for the County's North State Street Bridge Replacement over Ackerman Creek project;
- The \$602,000 identified for the County's North State Street Bridge Replacement over Ackerman Creek project will remain unprogrammed until the County is ready to allocate the funds; and
- The Technical Advisory Committee recommended approval of the RTIP with the programming identified above at their meeting on November 15, 2023; now therefore, be it

## RESOLVED, THAT:

The Mendocino Council of Governments finds that the 2024 Regional Transportation Improvement Program (RTIP) is consistent with Mendocino County's adopted Regional Transportation Plan; and

The Mendocino Council of Governments hereby adopts the 2024 Regional Transportation Improvement Program (RTIP) to include programming a total of \$17,507,000 in RIP funding and directs staff to forward this resolution and the appropriate documentation to Caltrans and the California Transportation Commission.

ADOPTION OF THIS RESOLUTION was mov, and approved on this 4th day of Decembe	•
AYES: NOES: ABSTAINING:	
ABSENT:	
WHEREUPON, the Chairman declared the resolut	tion adopted, AND SO ORDERED.
ATTEST: Nephele Barrett, Executive Director	Dan Gjerde, Chair

# MENDOCINO COUNCIL OF GOVERNMENTS

# STAFF REPORT

TITLE: SB 125 Funding – Initial Allocation Package DATE PREPARED: 11/27/23
Approval MEETING DATE: 12/04/23

**SUBMITTED BY:** Nephele Barrett, Executive Director

**BACKGROUND:** AB 102 (Chapter 38, Statutes of 2023) and SB 125 (Chapter 54, Statutes of 2023) amended the State's Budget Act of 2023 to appropriate a total of \$5.1 billion to the Transit and Intercity Rail Capital Program (TIRCP) and the new Zero-Emission Transit Capital Program (ZETCP) over a four-year period. The TIRCP program is typically a statewide competitive program, however, this appropriation, along with the ZETCP appropriation will be distributed by formulas based on both population and transit operator revenues to regional transportation planning agencies for programming and administration. The funds can be used for transit capital projects and operating expenses that prevent service cuts and/or increase ridership, subject to compliance with the program guidelines developed by the California State Transportation Agency (CalSTA). MCOG will be receiving a total of \$11,063,615 over the four-year period, with the bulk of the funds in the first two years. This funding includes \$110,636 for MCOG for administration of the program. Funding amounts in each year are shown below.

	Year $1 - 23/24$	Year $2 - 24/25$	Year $3 - 25/26$	Year $4 - 26/27$
TIRCP	\$4,848,229	\$4,859,713		
ZETCP	\$505,296	\$283,459	\$283,459	\$283,459
Total	\$5,353,525	\$5,143,172	\$283,459	\$283,459

RTPAs must develop and submit an initial allocation plan by December 31, 2023, in order to receive an allocation in FY 23/24. The plan must identify how funding is distributed among operators and projects. Required details of the plan are identified in SB 125 guidelines and dependent on the types of projects being proposed.

Because MTA is the only public transit operator in the region, the process of determining how to use funding is somewhat simplified. MCOG and MTA staff have met and discussed a proposed funding strategy to utilize the first year of funding. Activities included in the strategy were presented at the November MCOG Board meeting, along with a working draft of the initial allocation plan. The plan has been updated and is presented at this meeting for approval by resolution. The most significant change from the November draft is that, per CalSTA recommendation, the activities have been packaged into one project rather than individual projects. This was done in order to assure eligibility for each individual activity and to allow greater flexibility of funding. The project, MTA Facilities and Vehicle Improvements and Service Expansion, will incorporate development for a Ukiah area transit center (capital), zero emission vehicle purchases (capital), and implementation of a pilot project to provide service to Laytonville and Covelo (operations and capital) into one project intended to increase ridership and reduce greenhouse gas emissions. In addition, MCOG will allocate the full amount of administration funds from this first year for use over the life of the program. Details on the project activities can be found in Section B of the allocation plan.

The plan is presented today for approval by resolution. A draft resolution has been prepared and attached. Following approval, MCOG staff will complete the additional forms required for

submittal prior to the December 31 deadline. An update to the allocation plan will then be developed over the next several months to incorporate funding available in FY 24/25 and beyond.

**ACTION REQUIRED:** Adopt the resolution approving the SB 125 Formula Based Transit and Intercity Rail Capital Program and Zero Emission Transit Capital Program Allocation Package.

**ALTERNATIVES:** The Board may consider changes to the allocation plan prior to approval.

**RECOMMENDATION:** Adopt the resolution approving the SB 125 Formula Based Transit and Intercity Rail Capital Program and Zero Emission Transit Capital Program Allocation Package – December 2023 and authorize staff to submit the package, along with relevant forms and data, to CalSTA by December 31.

# MENDOCINO COUNCIL OF GOVERNMENTS

## **BOARD of DIRECTORS**

RESOLUTION No. M2023-
-----------------------

ADOPTING the SB 125 FORMULA-BASED TRANSIT & INTERCITY RAIL CAPITAL PROGRAM (TIRCP) and ZERO EMISSION TRANSIT CAPITAL PROGRAM (ZETCP) ALLOCATION PLAN for FISCAL YEAR 2023/24

#### WHEREAS,

- The Mendocino Council of Governments (MCOG) is the designated Regional Transportation Planning Agency for Mendocino County;
- The Transit and Intercity Rail Capital Program (TIRCP) was created by Senate Bill 862 (Chapter 36, Statutes of 2014) and modified by SB 9 (Chapter 710, Statutes of 2015), to provide grants from the Greenhouse Gas Reduction Fund (GGRF) to fund transformative capital improvements that will modernize California's intercity, commuter, and urban rail systems, and bus and ferry transit systems, to significantly reduce emissions of greenhouse gases, vehicle miles traveled, and congestion;
- Assembly Bill 102 (Chapter 38, Statutes of 2023) and SB 125 (Chapter 54, Statutes of 2023) amended the Budget Act of 2023 to appropriate \$4 billion of General Fund to the TIRCP over the next two fiscal years as well as \$910 million of GGRF funding and \$190 million of Public Transportation Account funding over the next four fiscal years to establish the Zero-Emission Transit Capital Program (ZETCP);
- SB 125 guides the distribution of TIRCP funds on a population-based formula to regional transportation planning agencies, which will have the flexibility to use the money to fund transit operations or capital improvements, and AB 102 is to be allocated to regional transportation planning agencies on a population-based formula and another formula based on revenues to fund zero-emission transit equipment and operations;
- MCOG will receive an estimated total of \$11,063,615 over the four-year period, including \$110,636 for Administration of the program, and shall be responsible for reporting of data and expenditures and other requirements;
- The California State Transportation Agency (CalSTA)'s adopted guidelines governing the distribution of these funding sources require regional transportation planning agencies to submit a regional short-term financial plan, referred to as an allocation plan or package, due December 31, 2023 to receive a first allocation in Fiscal Year 2023/24; and
- MCOG staff has prepared the first allocation plan in consultation with Mendocino Transit Authority, for a total of \$5,353,525, summarized briefly as follows:

Project Elements	TIRCP	ZETCP
Administration – MCOG	\$110,636	
Ukiah Transit Center Development	\$2,000,000	
Zero Emission Vehicles	\$2,237,593	\$505,296
Laytonville & Covelo Service	\$500,000	

Resolution No. M2023 Page 2 of 2
■ The allocation plan may be amended at any time and the remainder of funds later programmed by MCOG subject to approval of the Board of Directors; therefore, be it
RESOLVED, THAT:
The TIRCP and ZETCP allocation plan is approved, with details to be finalized by staff in accordance with the guidelines, for submittal of the complete package to CalSTA as required by December 31 2023.
ADOPTION OF THIS RESOLUTION was moved by Director, seconded by Director, and approved on this 4th day of December, 2023, by the following roll call vote:
AYES: NOES: ABSTAINING: ABSENT:
WHEREUPON, the Chairman declared the resolution adopted, AND SO ORDERED.
ATTEST: Nephele Barrett, Executive Director  Dan Gjerde, Chair

# Mendocino Council of Governments

# SB 125 FORMULA-BASED TRANSIT AND INTERCITY RAIL CAPITAL PROGRAM & ZERO EMISSION TRANSIT CAPITAL PROGRAM

# **Allocation Package**

December 2023

## A. Introduction

The Mendocino Council of Governments (MCOG) is the Regional Transportation Planning Agency for the Mendocino County region. Within the boundaries of MCOG's jurisdiction, there is only one public transit operator, the Mendocino Transit Authority (MTA). Development of this allocation plan has benefited from recent planning efforts conducted cooperatively by both MCOG and MTA. MCOG has recently completed the study Mobility Solutions for Rural Communities of Inland Mendocino County, which led to the identification of the project proposed for operational funding in this allocation plan. The Ukiah Transit Center Feasibility Study, which analyzed locations for a new transit center/hub in the Ukiah area, is also nearing completion. Capital funding for the development of that project is included in this plan. The MTA is also currently undergoing an update to their Short Range Transit Development Plan, which guides its overall service needs in the near future. In addition to the collaboration between MCOG and MTA conducted through these planning efforts, the two agencies have held meetings and had ongoing communication specifically to discuss project prioritization for these funds. The funding has also been discussed in public meetings of the Boards of Directors of both agencies.

# B. Narrative Explanation

1. Explanation of funding and service actions being taken within the region that utilize resources other than SB125 funding.

Mendocino Transit Authority is the only STA eligible operator in the Mendocino County region. At this time, they do not anticipate any funding related operational deficits through 25/26. Their ordinary sources of federal, state and local funding are sufficient to maintain service levels.

2. Description and justification of the RTPA strategy to use SB 125 funding to construct capital projects and fund operating expenses that lead to improved outcomes in its jurisdiction.

Mendocino Transit Authority, the one eligible operator in the region, does not anticipate funding related operating deficits or service cuts at this time. Therefore, MCOG's strategy focuses on supporting improvement in ridership. MCOG's strategy, developed in consultation with the Mendocino Transit Authority (MTA), addresses goals to increase ridership by improving the rider experience of public transit, increasing mode connectivity, and replacing older vehicles with zero emission vehicles. A new pilot service to currently unserved communities will increase ridership and address longstanding unmet transit needs. These approaches will be included in one single project: MTA Facilities and Vehicle Improvements and Service Expansion. The activities in this project are listed below.

a) Activity #1 - <u>Development of a new Ukiah Transit Center</u>. This project has completed a feasibility study, resulting in selection of an available unimproved parcel. This centrally located multimodal

- center will connect all transportation services (MTA, LTA, Amtrak, Greyhound), cyclists, pedestrians, park and ride, etc. First priority is to secure purchase of the identified property.
- b) Activity #2 Demonstration of innovative solutions to serve the remote communities of Laytonville and Covelo. This would be a three-year pilot project to meet long-standing unmet transportation needs, arising from MCOG's recent Feasibility Study of Mobility Solutions for Rural Communities of Inland Mendocino County. Both capital and operations would be funded. The first year would procure one or more appropriate, zero emission vehicles. The second and third years would initiate the services, including administration, marketing, and travel training for riders. The details of the service will be developed collaboratively between MCOG and MTA to maximize the success of the service during the pilot period and meet the needs of the communities identified in MCOG's Feasibility Study.
- c) Activity #3 <u>Continuation of MTA's Zero Emissions Fleet Transition Plan</u>. These capital investments would enable the agency to continue its plan on track with the California Air Resources Board's Innovative Clean Transit (ICT) regulation to meet a goal of 100 percent zero emissions by 2040.
- 3. Detailed breakdown and justification for how the funding is proposed to be distributed between transit operators and among projects, consistent with the legislative intent described in SB 125.

The Mendocino County region has only one public transit operator, the Mendocino Transit Authority, therefore, this section focuses on projects rather than distribution among operators. In addition to administrative costs, all funding for the first year will be allocated to one project implemented by MTA: <a href="MTA Facilities and Vehicle Improvements and Service Expansion">MTA Facilities and Vehicle Improvements and Service Expansion</a>. This project will include fleet conversion and expansion, a new pilot service to unserved areas, and project development for a new transit center/hub in the region's largest population center. The project will combine funding sources and fund both capital and operations. The region does not have any existing TIRCP funded projects.

The capital activities in the project are all high priority to the region. A detailed description of the high priority nature of all activities in the project is included below.

Activity #1 <u>Development of a new Ukiah Transit Center</u>. This has long been a need in the Ukiah area. Ukiah is the county seat and population center of Mendocino County. It is located on the US 101 corridor, which provides a north/south connection to the rest of the State and beyond. Amtrak, Greyhound and Lake Transit Authority all provide service to the Ukiah area. MTA does not currently have any type of transit hub or transit center in the Ukiah area that allows for a consolidated connection point for these services, or connection with other modes. By providing a central location for these connections, as well as other amenities to support zero emission and active transportation (charging, bike storage, etc.), MTA will be able to **increase ridership and improve the overall ridership experience**. It is anticipated that to fully fund the project, MTA will apply for TIRCP competitive funds as well. This has been identified as a priority for MTA and MCOG and is included in the 2022 Regional Transportation Plan. Using these AB 125 funds to initiate project development will prepare MTA for a future TIRCP competitive grant to fully fund construction of this priority project.

Activity #2 Demonstration of innovative solutions to serve the remote communities of Laytonville and Covelo. MCOG conducts an annual unmet transit needs assessment. Nearly every year, the need for some type of lifeline service to serve the remote communities of Laytonville and Covelo in the north part of the county is identified. These communities lack many services (shopping, education, medical), and residents must travel an hour or more by car to reach critical services and destinations. Unfortunately, these communities are also low-income, underserved communities. Many residents lack a household vehicle, or lack a reliable vehicle for traveling these longer distances. MCOG conducted a needs assessment and feasibility study for mobility solutions to these communities. The details of the service will be developed collaboratively between MCOG and MTA to maximize the success of the service during the pilot period and meet the needs of the communities identified in MCOG's Feasibility Study. The project will increase ridership by providing service to a currently unserved community. It will reduce greenhouse gas emissions by converting single occupancy vehicle trips to shared transit vehicle trips.

Activity #3 Continuation of MTA's Zero Emissions Fleet Transition Plan. This activity will **reduce greenhouse gas emissions** by continuing and accelerating the replacement of MTA's existing fossil fuel powered fleet with zero emission vehicles, consistent with MTA's Zero Emission Transition Plan. The available funding would enable the agency to stay on track with the ICT-Regulation of being 100% zero emissions by 2040
